Whatever you read this summer—books, comics, magazines, audiobooks, or reading to someone else—it's the time spent reading that counts. Log your hours online any time.

Here's how it works:

Sign up in the library or online, and you'll automatically be entered into our weekly raffles. The more you read, the more tickets you gain for the Finale Gaming Tournament and Prize Raffle.

Every **two hours you read** = one ticket
Every title read from **the Game On Reading List** = 2 tickets
Every **100-word title review** = 2 tickets
Every **event you attend** = 5 tickets
Come by the library for the full prize list!
